

FLAME Music Club

Annual Report 2022-23

About the Club

The FLAME Music Club is a space of creativity and encouragement. All its members actively work towards creating a friendly, musical environment. We hold workshops and events where students can openly showcase their musical abilities, perform, and learn about music from around the world, from its history to its technical aspects and influence today. Overall, the FLAME Music Club aims to build a community for students to socialize and grow through the art of music. The FLAME Music Club also strives to be competitive in extra college activities including fests and competitions held by other colleges.

Executive Committee: The EC consists of members who handle the day-to-day operations of the club and are ultimately responsible for all the Club's activities. The Executive Committee is composed of the President (Archit Murali), Vice president (Vandana Bhaskar), Secretary (Thwishaa Bansal), and Treasurer (Jeet Shah).

Core-Committee: The club's Executive Committee elects club members to core-committee positions in charge of departments (such as content, inventory, logistics, and social media) to assist them in the operation of the club. The sub-committees typically operate under the direction and supervision of the Executive committee.

Active Member: An active member is a patron (member) of the club who is recorded in the club's membership register with at least their full name, and student ID. The Executive Committee will select the Active Members to be part of an Election Committee at the end of each academic year.
