I am Shreeya Mehra, batch of 2021-24. The Round Table is an idea that was born in my room, one for which impulsive but thought-out calls were made the next morning. Something that has taken a month and a half to carefully craft and complete each strand of details. The Round Table is a dream being a reality. I believe one must learn how to network in a meaningful way, build relations and PR. and highlighting on those factors we listed the club objectives below.

My experience -

- Yearbook'22 content head
- FLAME Art club'21-22, content head
- MHI - content head -2022-23
- own & manage an Instagram account (@fairytaleandfables) with 52,000+ followers.
- Authored & published 'Roses and thorns – A tale of blissful sorrows'.
- Kurukshetra'22 PR, Admin & OC member.
- Managed logistics for First Cut '22.
- Hospitality PoC FLAME fest'22
- Cultural committee'2021-22

- **Objective 1:** Help students, especially freshers, interact with their seniors and build a network with their peers.

- **Objective 2:** Provide an inclusive space for students to interact with professors outside classroom settings.

- **Objective 3:** Aim to bring people from other clubs to facilitate interaction and networking on a larger scale through club activities and meetings.

I think these aims will have a positive impact on society because they allow everyone, especially newcomers, to feel more comfortable and confident in their interactions and participation during their stay at FLAME.

Skills & Experience

Please give details below of your skills & experience and indicate why you wish to be the President of the Club. (No more than 200 words.)

I have been the content head for the yearbook'22, content head for the art club'21-22 and content head for MHI'22-23. All these positions have taught me and given me insight into how the inner workings of FLAME take place. Being the PoC for hospitality at FLAME fest'22 has made me value the power of networking and building relations and how one should interact.

Talking to people, having PR, contacts and relations have proven to benefit us time and time again and that is why I could get 2 stalls for the FLAME fest'22 working under logistics in the cultural committee. I believe I possess a knack for building meaningful relations through networking.

A few of my other undertakings -personal/FLAME

-own & manage an Instagram account (@fairytaleandfables) with 52,000+ followers.

-Authored & published 'Roses and thorns – A tale of blissful sorrows'.

-Kurukshetra PR, Admin & OC member.

-Managed logistics for First Cut '22.
