

FLAME University

Annual Report of The FLAME Art Club

Academic Year 2022-23

Presented to:

The Student Activity and Affairs Committee

About the Club:

The FLAME Art Club is a safe space for students to come together and express their creative selves. One does not have to know how to draw, in order to be a part of this club. We allow space for all kinds of creativity and foster growth in this area. With the aim of bringing together a variety of communities at FLAME through art and creativity, the FLAME Art Club has successfully organized over 34 events and activities throughout the year.
