

FLAME Entrepreneurship Lab

Annual report 2022-23

About the club:

As a true believer in student-centric philosophy, the FLAME Entrepreneurship Lab (FEL) gives students an opportunity to shape their entrepreneurial skills through ample opportunities. The club explores more about innovative ideas & businesses through the lens of an entrepreneur. The club is centered around fostering entrepreneurship amongst students.

Executive Committee:

The EC consists of members who are majorly responsible for all of the Club's activities. The Executive Committee includes the **President** (Vineesha Vuppala), **Vice President** (Arnav Jain) and **Secretary** (Shwetha Ramesh).

Core Committee:

To support them in running the club, the club's Executive Committee may elect club members to core committees in charge of certain portfolios. The core committee was divided into the following roles-

- Logistics and Events - The members of this committee will work closely with the EC to plan club events and meetings.
- Social Media and Design - The members of this committee will design posters and generate social media content.
- Content Writing and PR - The members of this committee will be in charge of all the external communications to the student body and will work closely with the Social media and Design team.
- Data and Research - This committee will be involved in recording data during events and summarizing the events. They collect information for social media posts (daily news about the business world)

Active members:

An active member is a club patron (member) who is recorded in the club's membership register with at least their full name, email address, and student ID. The Executive Committee will select the Active Members to be part of an Election Committee at the end of each academic year.
