

About the Club

The purpose of the Model United Nations Society shall be to empower students interested in International topics to find a debating forum to engage and grow as International citizens at FLAME University. We aim to create more awareness about International Issues, and the World Order and provide formal knowledge on Diplomacy.

Executive Committee: The EC consists of members who handle the day-to-day operations of the club and are ultimately responsible for all the Club's activities. The Executive Committee is composed of the President (Sohom Niyogi), Vice president (Vrinda Mandovra), and Treasurer (Vihaan Suneja).

Core-Committee: The club's Executive Committee elects club members to core-committee positions in charge of departments (such as content, inventory, logistics, and social media) to assist them in the operation of the club. The sub-committees typically operate under the direction and supervision of the Executive committee.

Official Delegation: An active member is a patron (member) of the club who is recorded in the club's membership register with at least their full name, and student ID. The Executive Committee will select the delegation on the basis of a small mock committee to be part of an Election Committee as well as to represent FLAME at other MUN Conferences.
