

FLAME Environment Club: **Annual Report 2022-23**

About the Club:

We, the FLAME Environment Club, aspire to give back to nature by spreading awareness about sustainability, initiating projects and encouraging eco-friendly activities that help paint an optimistic future for our environment. We aim at bringing about a positive change by initiating interactive projects and spreading awareness on the present day environmental scenario. The purpose of the Environment Club shall be to foster awareness on environmental issues amongst members of the FLAME community, and to provide them with a platform to participate in meaningful environment related discussions and activities at FLAME University.

Executive Committee: The EC consists of members who are handling day-to-day operations of the club and are ultimately responsible for all the Club's activities. The Executive Committee must be composed of the President (Valki Korra), Vice president (Jahnvi Trivedi), and Secretary (Kavya Joshi).

Sub-Committees: The club's Executive Committee may elect club members into sub-committees positions in charge of particular portfolios (such as contents, creative, logistics, etc.) to assist them in the operation of the club. The sub-committees typically operate under the direction and supervision of the Executive committee (19 members).

Active Member: An active member is a patron (member) of the club who is recorded in the club's membership register with at least their full name, email address, and student ID. The Executive Committee will select the Active Members to be part of an Election Committee at the end of each academic year.
