Organized by	**The FLAME Art Club**
Participants	**70-80**

Brief report :

On the 17th of September 2024, The FLAME Art Club hosted its first event for the academic year: *The Marshmallow Challenge*, a fun team-building event where creativity and collaboration took center stage. Teams of 3-5 participants worked together to build a "marshmallow man" using just spaghetti, string, tape, and marshmallow.

The students had a blast building marshmallow figures together! They showed off their creative skills and worked really well as a team. This fun activity helped them bond and use their skills, bringing out their creative flair!

The winning team, selected based on their marshmallow man’s height, structure, and appearance, received a bag of marshmallows as their reward.

The winning teams were:

Winner 1: SKAMD - 63cm

Winner 2: Bing Bong - 103cm

The event was a hit, with teams bonding over their creations. It was a fun and memorable start to the year, setting the tone for more exciting activities ahead! The event effectively promoted the club's mission to blend creativity with fun and teamwork, leaving attendees eager for more.
