

The Round Table

Annual Report 2022-23

About the Club

The Round Table is a club started primarily for Freshers to provide them with an inclusive space to interact with seniors, peers, and professors outside classroom settings. This club facilitates interactions with various other clubs, seniors and peers, helping freshers to expand their connections and network on a larger scale.

Executive Committee:

The EC consists of members who are majorly responsible for all of the Club's activities and decision-making. The Executive Committee includes the President (Shreeya Mehra), Vice President (Natania Kumar), Secretary (Soumya Tiwari) and Treasurer (Aarya Deshpande).

Core Committees:

To support them in running the club, the Executive Committee of the club may elect club members to core committees in charge of certain portfolios (such as content, design, logistics, and social media). The Executive committee normally directs and oversees the work of these core committees.

Active Member:

An active member is a patron (member) of the club who is recorded in the club's membership register with at least their full name, email address, and student ID. The Executive Committee will select the Active Members to be part of an Election Committee at the end of each academic year.

Venue: Academic Spine

Time: 3:30 pm - 5:30 pm

Participants: 350+

Description of the event: FLAME German Learning Community and the Round Table helped organize and carry out the German Day on 23rd November. To celebrate the language and culture, we hosted games, played and sang German songs. Yummy snacks and tea were also served. The entire amphitheater was decorated with balloons and streamers in colors of the German flag. There was a photo booth with amazing props to capture the fun moments. We parted German-themed bookmarks and stickers to the large body of students and faculty that attended the event as a souvenir. It was a major success!

6. Major-minor fair

Name: Insight

Date: November 28, 2022

Venue: Kalidas

Time: 9:30 pm - 11 pm

Participants: 600+

Description of the event: The Round Table's INSIGHT was an event hosted for the purpose of aiding UG-1s in their making of major-minor decisions. We had seniors as volunteers to provide multiple perspectives on possible major-minor combinations by allowing them to think from their personal experience - their thoughts on the course curriculum, the rigor, course expectations, etcetera. Since choosing a major-minor is a stressful yet important decision that has many students confused, we wanted to make it easier for them to make the choice by hosting this event. It was a huge success as many UG-1s came up to us and let us know that it was a big help to them.
