Activity Report

Academic Year	**2024-25**
Name of the Activity	**Journey Into Space - Escape Room**
Date of the Activity	**03.10.2024**
Venue	**Aryabhata First Floor**
Organized By	**FLAME Astronomy Club**
No. of Participants	**100**
Brief Report	The event began with a lot of enthusiasm which only grew as the time passed. We organized three escape room scenarios specifically in ARB101, ARB102, and ARB104. The themes for each room were Black Hole, Finding Infinity Stones, and Spaceship Cockpit, respectively. These themes correlate directly to Astronomy and Space that made sure to somewhat educate the people through fun and challenging tasks. We also did on-spot registrations for groups who could not register for the event on time. To handle the crowd, we organized seating arrangements for people outside rooms to wait for their turns. The escape rooms were designed in a way that fostered teamwork, excitement, and challenge among the teams participated.
